**HON. DOUG LAMBORN  
OF COLORADO  
IN THE HOUSE OF REPRESENTATIVES**

*Friday, November 9, 2007*

Madam Speaker, I rise today to congratulate NAVSYS Corporation for receiving the 2007 Tibbetts Award given in recognition of the successful Talon NAMATH Program. The Tibbetts Award, named for Roland Tibbetts, honors organizations, individuals, and small businesses who demonstrate achievement in the area of Small Business Innovation Research.

Located in my hometown of Colorado Springs, NAVSYS Corporation was founded in 1986 by Dr. Alison Brown. Since its inception, this company has sought to promote the use of Global Positioning System in a variety of applications, both commercial and military. The Talon NAMATH Program for which NAVSYS received the Tibbetts Award has provided crucial support to our military operations in Iraq and Afghanistan.

I am proud to represent such an accomplished business and hope that this achievement by NAVSYS inspires other businesses in my district. Today, I offer my congratulations to NAVSYS and all those who worked so diligently on the Talon NAMATH Program. It is innovations by companies like this that will keep our country secure.
